## ABOUT US

**ÜNTEL KABLO**, one of leading cable manufacturers in the world was established in 1972, Turkey. With almost 50 years of experience, continuously develops and optimize her product range with the help of advanced technology and well trained staff.

Product range consists over 15.000 different types of cables, covers both rubber and thermoplastic cables up to Medium Voltage (MV) range. ÜNTEL's power and instrumentation cables supplies energy for industries which requires experience like marine, offshore, mines and tunnels, airports, railways and have been used in industrial ways such as heavy-duty rubber drum reeling cables, welding cables, control cables and fire resistant cables. ÜNTEL is also able to produce tailor made products for special purposes. Today these products are exported over 70 countries on six continents.

By the end of 2009, ÜNTEL finalized the investment of a new high-tech plant near Istanbul. Now continues her operations on 43.000 m<sup>2</sup> land space with 32.000 m<sup>2</sup> closed area. By having 3.000 tons copper drawing and 4.000 tons different type of

compound processing capacity, ÜNTEL produces 30.000 tones of cable per year. By means of new factory building, state of the art machines and unique ERP system investments ÜNTEL aimed absolute customer satisfaction.

Üntel's laboratories which are approved by organisations that specify the standards are equipped with advanced technology test and measurement devices. Within the scope of Quality System Certificates there is a quality management system presents in Üntel according to ISO, IQnet and TSE quality standarts.. Around 200 different types of cables are certified by global organisations like VDE, KEMA, ABS, UL, BV, DNV-GL, RINA and TSE.

Üntel Kablo evaluate customer needs and expectations in a sectoral wiew and provide effective solutions with hundred percent customer satisfaction and qualified production philisopy. Üntel's biggest value is well trained and experienced staff and believe that exceptional quality comes through this experience.

## WHY TO CHOOSE US?

- ✓ 50 Years Manufacturing Experience
- ✓ Reliable Partner and Believe in Trust
- ✓ Wide Product Portfolio – Over 15.000 Cable Types
- ✓ High Product Quality and Product Reliability
- ✓ 200 + International Certificates and Approvals
- ✓ Competitive Price
- ✓ Flexible Payment Options
- ✓ Wide Range Cable Stock
- ✓ Short Lead Times
- ✓ Low or No Minimum Order Quantity
- ✓ Quick Response to your Inquiries and Demands
- ✓ Flexible Solutions and Productions as per your Special Requirements
- ✓ End to end Solution Provider / Tailor Made Cable Design and Production
- ✓ High Technology Factory and State of the art Machinery

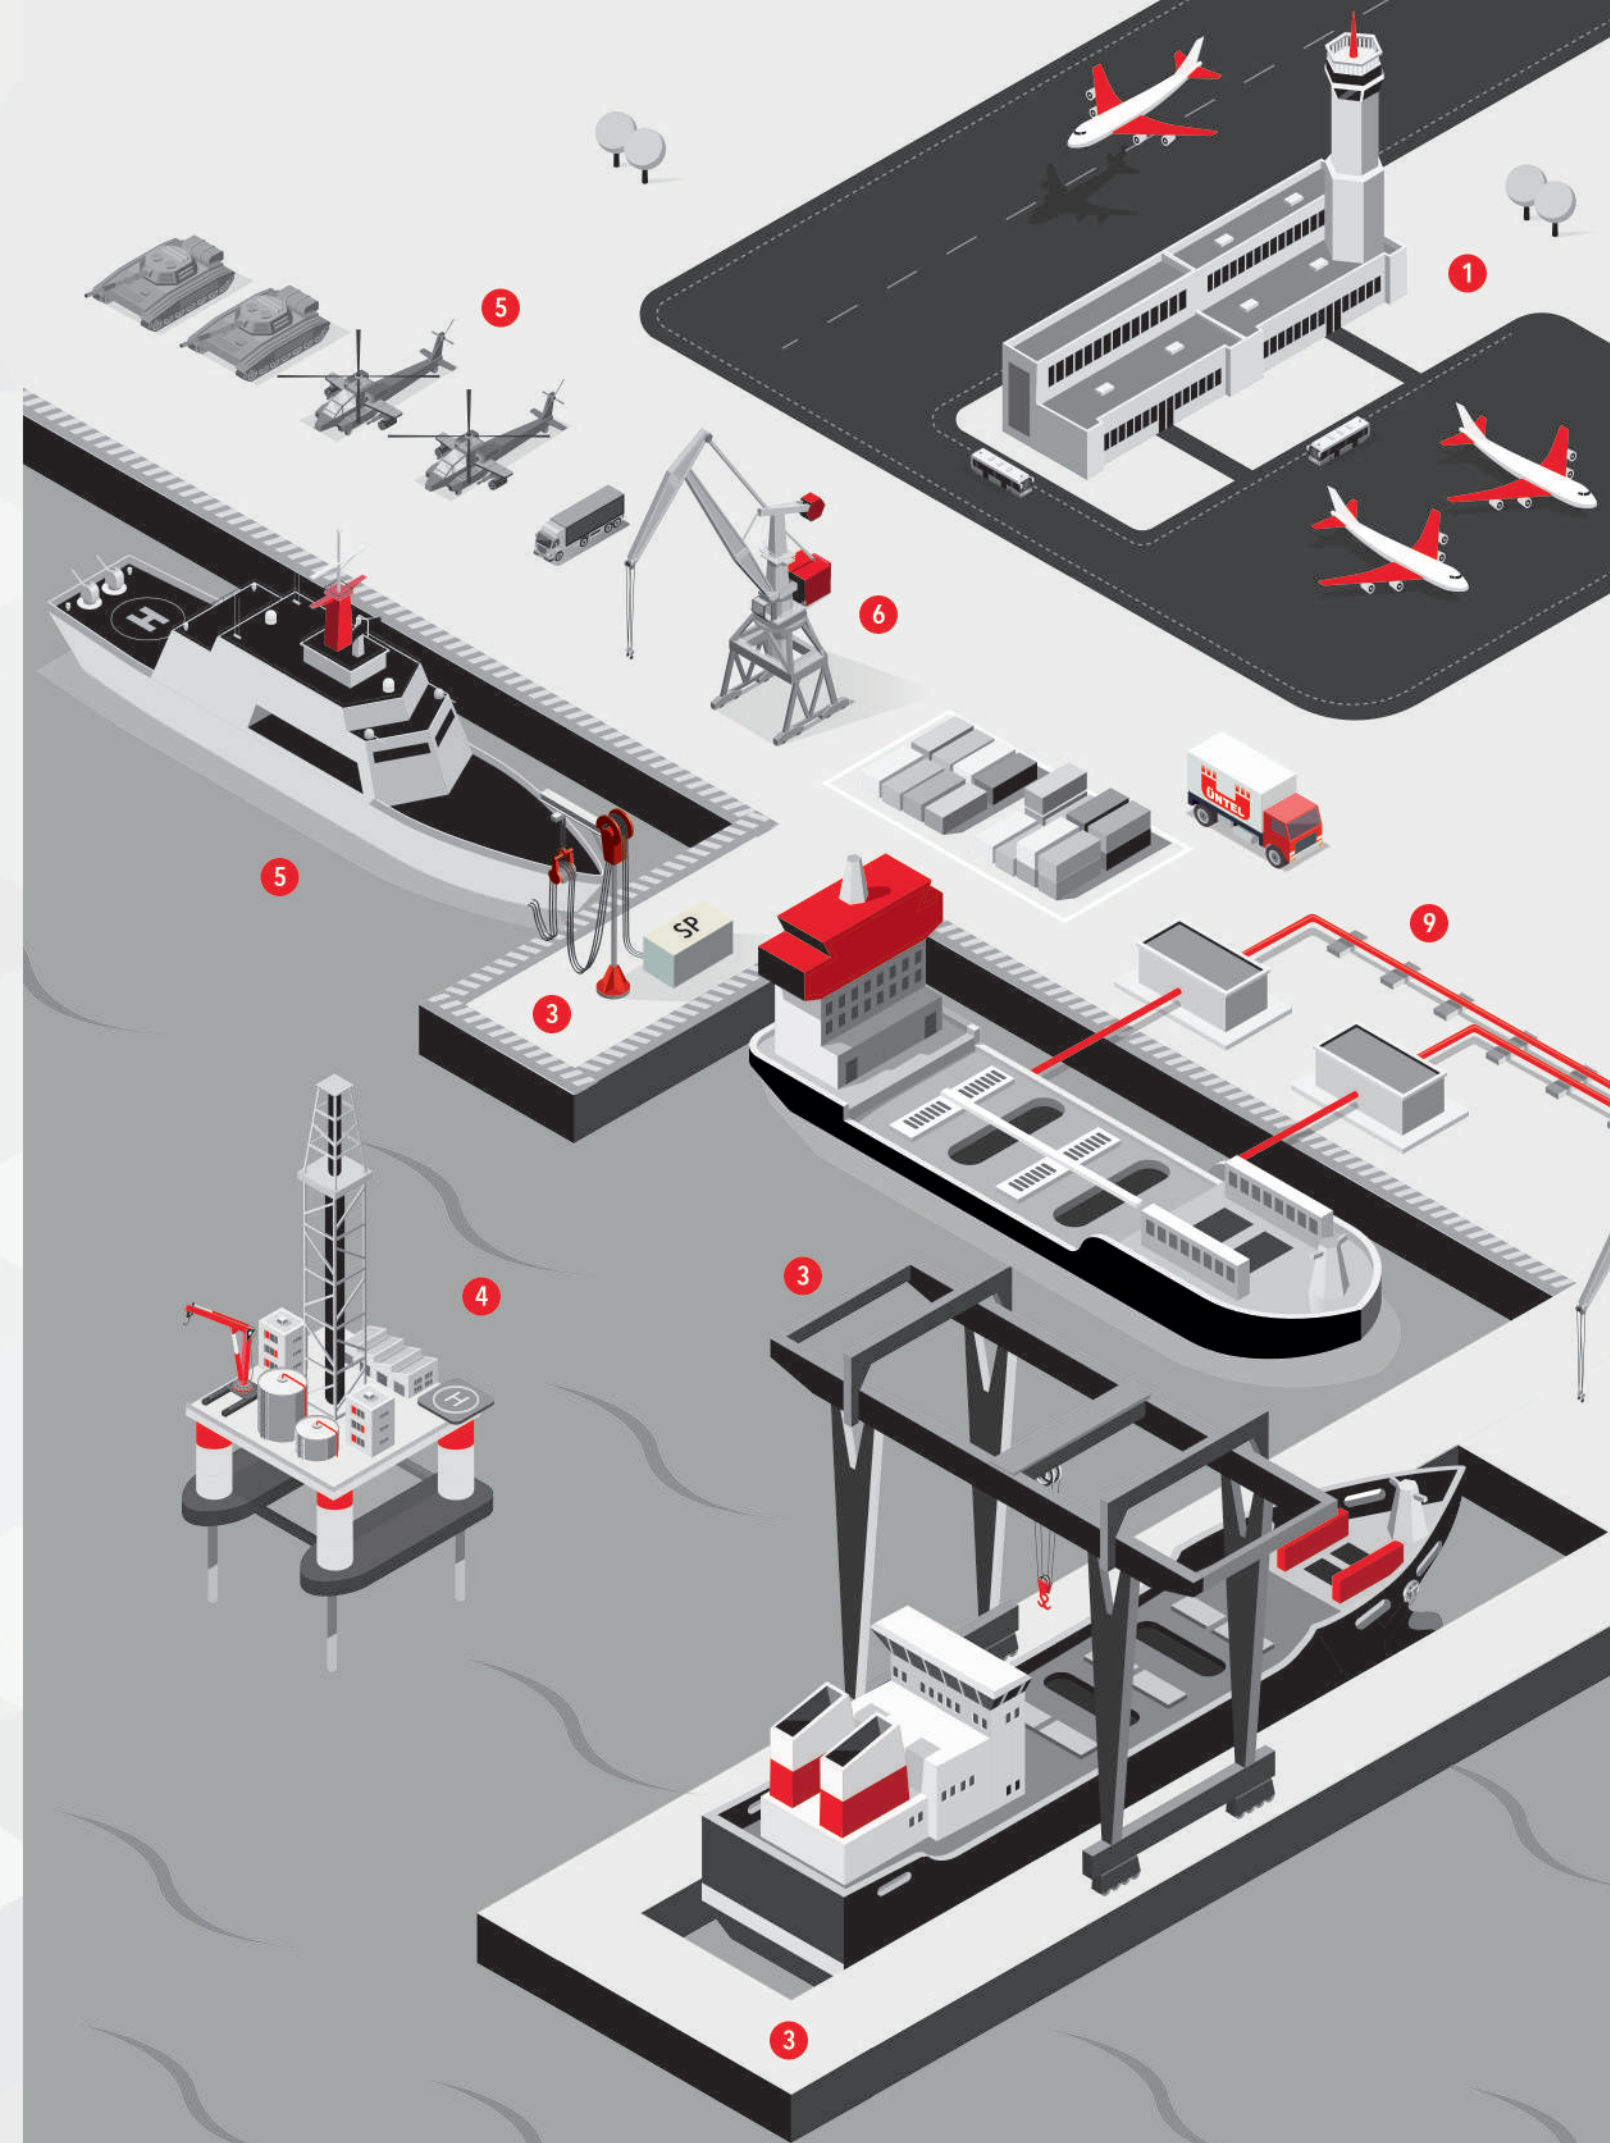

- ✓ Always innovative Know How and Continuous R&D works
- ✓ Modern Laboratory equipped with specialized Devices and highly skilled Technicians
- ✓ Reputable Worldwide References
- ✓ As a “Preferred supplier” shortlisted by many authorities.
- ✓ Fast Delivery and Delivery to All over the World.
- ✓ Excellent After-sales Service and Based Approach
- ✓ Dedicated Customer Support

## WE SERVE AND SUPPLY TO

- 1** Airports  
Airfield Ground Lighting  
400 Hz. Aircraft Ground Power Supply  
Apron Power Supply and Control
- 2** Railway  
Power and Signalling of Railway Networks / Metro lines  
Rolling Stocks Manufacturers  
Locomotives Manufacturers
- 3** Marine Industry  
Shipyards and Shipbuilding Companies  
Port and Marina Construction  
Subsea Power cables  
Shore Power Supply Cables
- 4** Offshore Industry  
Oil platforms / Rigs / Jack-Ups  
Drill Ships  
FPSO / FSO  
Offshore Wind farms
- 5** Defence Industry  
Naval Shipyards  
Military Vehicle/Machine and Equipment Manufacturing
- 6** Crane Applications  
Crane Reel Manufacturer  
Port Crane Manufacturers  
Spreader Manufacturers  
Grab Manufacturers  
Industrial Crane Manufacturers  
Vertical Platform Lifts
- 7** Mining Industry  
Open Cast Mines  
Underground Mines
- 8** Tunneling Works  
TBM - Tunnel Boring Machine  
Tunnel Construction  
Tunnell and Metro Power Supply
- 9** Onshore Applications  
Petrochem Plants  
Refineries  
Pipelines  
Oil and Gas Processing Plants  
ESP Electrical Submerged Pump / Oil Drilling Well  
Storage Tanks
- 10** Power Plants  
Wind Farm PP  
Solar Photovoltaic PP  
Coal Fired Thermal PP  
Hydroelectric Power Plant  
Geothermal PP  
Natural Gas / LNG PP  
Combined Cycle PP  
Biogas-Landfill Gas PP  
Substations & Switchgears
- 11** Factories and Plants  
Iron and Steel Industry  
Cement Industry  
Chemical Products Plants  
Waste Water Treatment Plant  
Sewage Treatment Plant  
Paper Mills
- 12** Machine and Equipment Manufacturers  
Submersible Pump  
Generators  
Transformers  
Electrical Equipments  
Vehicle Batteries  
Electrical Vehicle Charging Systems  
Electrical Home Appliances like Ironing  
Mobile Energy Systems  
Welding Machine  
Industrial Machine Manufacturers  
Mining Machine  
Agriculture and Irrigation Machine  
Lift and Elevator
- 13** GSM Infrastructure Companies
- 14** EPC Companies and Project Consultants for  
Industrial Plants  
Power Plants  
Petrochem Plants  
Energy & Utility  
Construction  
Infrastructure
